

# Certificate of Approval

This is to certify that the Management System of:

## Veolia Water Technologies & Solutions (UK) Limited Partnership

Hydro House, Newcombe Way, Orton Southgate, Peterborough, PE2 6SE, United Kingdom

has been approved by LRQA to the following standards:

**ISO 9001:2015, ISO 14001:2015, ISO 45001:2018**

Approval number(s): ISO 9001 – 0019565, ISO 14001 – 0079355, ISO 45001 – 00026382

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

### The scope of this approval is applicable to:

Research & development, sales, onsite product and application support, commercial operations, customer care, design, engineering, project management, procurement, manufacturing, assembly, warehousing, installation, commissioning, laboratory analysis, remote technical support, field service and support, operation of water treatment plants, remote monitoring, diagnostics and analytics, mobile water treatment equipment, analytical laboratory process control instruments, distribution of analytical reagents and reference standards, as applicable to the following industries: Chemical Processing, Facilities, Refining, Food & Beverage, Microelectronics, Metals & Mining, Municipal, Pharma & Life Sciences, Power, Pulp & Paper, Upstream Oil & Gas and others in need of water and process treatment solutions.

**Marta Escudero**

Regional Director, United Kingdom and Americas (UKAM)

Issued by: LRQA Limited
